

Make your voice heard! Here is what YOU can do!

OLCAA is the RCO for East Oak Lane. We are committed to our community's decision regarding 1122 Oak Lane (multi-unit development).

Here is how we are moving forward:

- Yvette Young & OLCAA will be the clients in the legal action against the development entities.
- We are hiring a lawyer for the ZBA hearing (and all the preparation leading up to it) and, if needed, for an appeal.
- Other neighbors have decided to raise funds for the near neighbor, Yvette Young, represented in these proceedings. Funds will be used for this concern regarding this property; otherwise refunded. Write checks payable to Yvette Young, and give to Erin Lighthouse.
- OLCAA has a GoFundMe campaign, to support OLCAA's involvement as a client in this legal battle. You can write a check to OLCAA and give to Erin Lighthouse. Funds are tax-deductible and non-refundable.

Please donate whatever amount you can. No donation is too small or too big. If you have further questions of how the donations work please contact OLCAA's Treasurer, Erin Lighthouse at lighthouse.erin@gmail.com.
